RE: Tennessee Radioactive Material License No. R-01037-J26

This letter is to notify you that we are in receipt of your application dated September 28, 2026, with attachments, for renewal of Tennessee Radioactive Material License No. R-01037-J26. In accordance with "State Regulations for Protection Against Radiation" 0400-20-10-.18(2) (see below), this license will not expire until the application has been finally determined by this Department.

If anyone wishes to know the status of this renewal, please contact us at (615) 532-0364.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew Greenwood', with a stylized flourish at the end.

Matthew Greenwood
Environmental Manager 3
Division of Radiological Health

"State Regulations for Protection Against Radiation" 0400-20-10-.18

- (2) In any case in which a licensee, not less than thirty (30) days prior to expiration of his existing license, has filed an application in proper form for renewal or for a new license authorizing the same activities, such existing license shall not expire until the application has been finally determined by the Department.
